

GROUP/ORAL PRESENTATION (20%)

1. Presentations are in groups in the form of conversations or dialogues in Arabic at set times. It can also be done individually if you have no group or partner such as storytelling in Arabic.
2. Choose any title of the situation you are studying and act it out with each group members. You can add other suitable dialogues, props, power point slides and so on according to your creativity. Make sure the text of the conversation has no errors in terms of grammar, vocabulary, sentences and so on. A copy of the text of the conversation must be submitted to the evaluator.
3. The time period given is 5 to 10 minutes including opening and closing.
4. Each students should have at least 10 lines of conversation per person.
5. Assessment will be calculated in terms of Communication Skills (10%), Presentation (5%) as well as Text & Vocabulary (5%).
6. You are required to discuss with each group members from the beginning of the semester, prepare and make a presentation without looking at the text of the conversation based on the chosen topic.
7. Presentations will be conducted in the final week.
