## Lab 2 Exercise

### Question 1

Discuss briefly, what do you understand about an IT Audit?

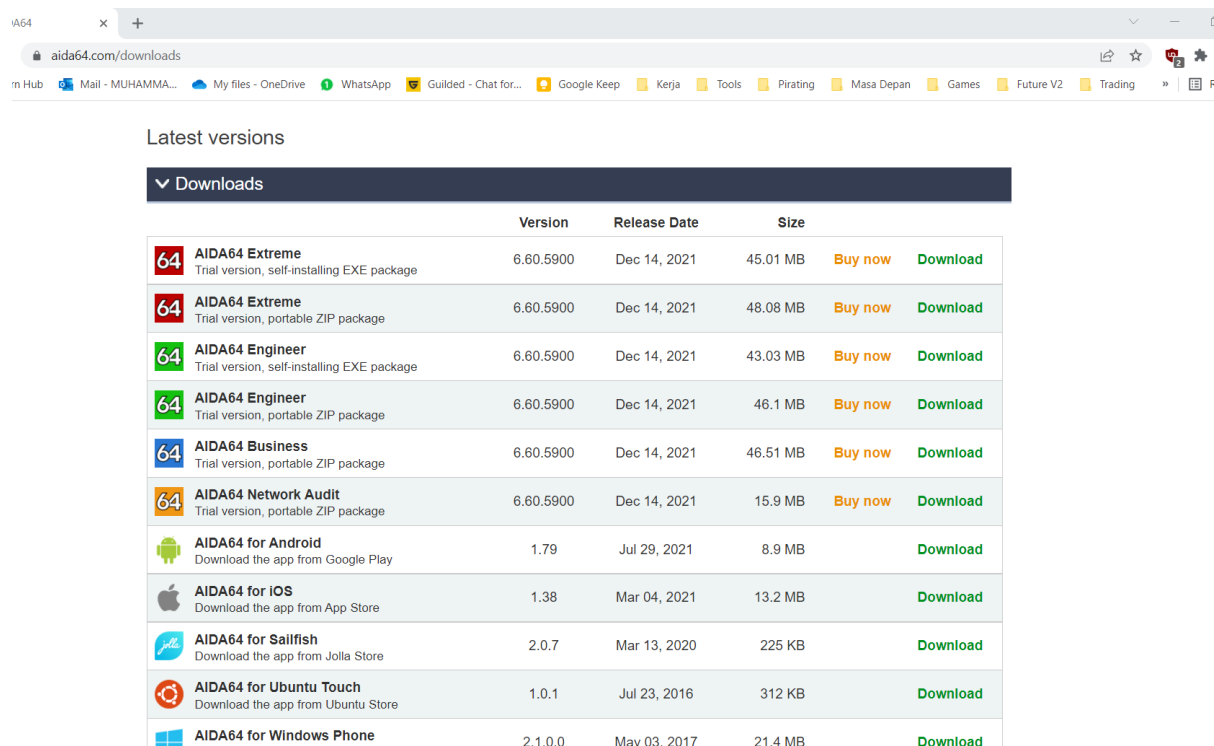

Explore one of the software listed in below URL:

<https://windowsreport.com/pc-audit-software/>

Produce complete manuals that can be used for installation, how to use and others related or necessary steps.

The software chosen is **Aida64**

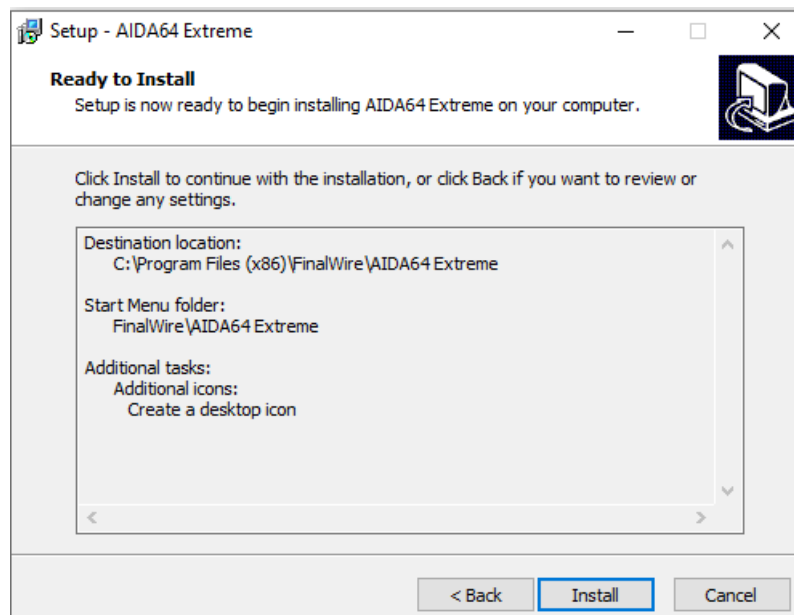

1. Find the download page of Aida64 at [aida64.com/downloads](https://aida64.com/downloads) and choose to download the exe package for Extreme edition

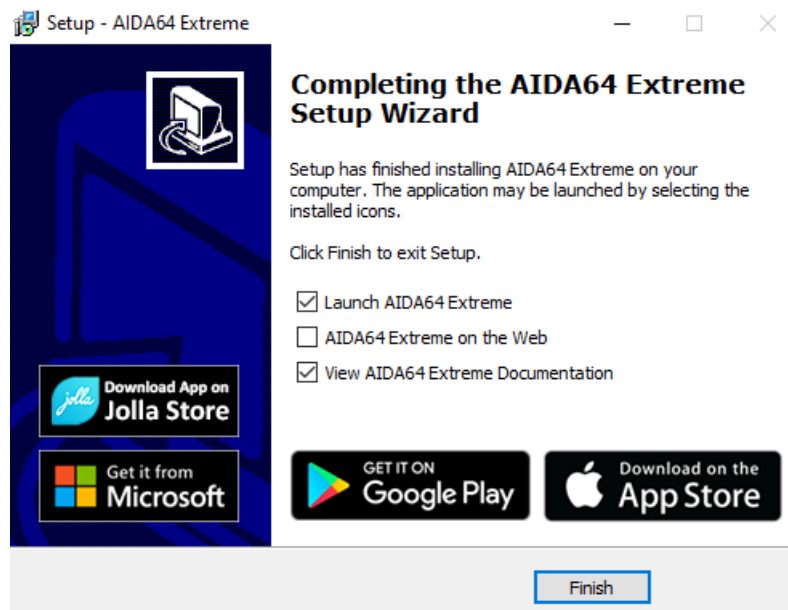

The screenshot shows the Aida64 website's 'Downloads' page. The browser address bar displays 'aida64.com/downloads'. The page title is 'Latest versions'. Below the title is a dark blue header with a dropdown arrow and the text 'Downloads'. The main content is a table listing various Aida64 software versions and their download links.
